Follow-Up to Camp Invite

Subject Line: Attending Elite Camp! Michael Johnson, 2024 Quarterback, New Video

Hi Coach Adams,

I received your invite to the Florida State's Elite Camp in July, and wanted to let you know that I filled out the forms online. I'm looking forward to meeting you and some of the current players. I'm also excited for the campus and athletic facilities tour after our lunch break!

Here is the [link to my NCSA Profile](#). I just uploaded a new highlight video as Quarterback for my high school team! I'd love to get your feedback on my recent games.

Please let me know if there is anything else you need from me before camp.

Thanks,

Michael Davis
